

DREAD ARCHIE JR. – ELECTRONIC PRESS KIT

BIO

Dread Archie Jr., also known as D.O.A. and performing under the alias Da Kontrol Room, is a versatile comedian, actor, and master vocal percussionist from Staten Island, New York. He is a graduate of the William Esper Studio and a SAG-AFTRA member whose work spans live comedy, television, film, and documentary. Dread gained national attention after appearing in a Winterfresh gum commercial and later featured in the acclaimed documentary 'Breath Control: The History of the Human Beat Box'. He also served as a brand spokesperson for Wrigley's, representing Winterfresh Gum in national advertising campaigns. He continues to captivate audiences with high-energy performances, original skits, and live shows across the U.S.
